You are a **Campus France scholarship student enrolled** in a higher education institution in Grenoble for the current year. To make things easier for you, **Campus France has made an accommodation application for you and sent you, by e-mail, details of the university residence** where you will be staying throughout your stay, subject to completion of all the formalities required.

To enable you to receive a housing offer from Crous, you must first create your account on the Mes Services Etudiant application using your e-mail address.

**Be careful** to register your mobile phone number so that the account is valid and do not use accents on the first names and use the NAME FIRST NAME fields identically to your passport.

This account will enable you to carry out all the formalities (payment of rent, notice of departure, request for assistance, etc.) directly online and electronically.

Once your account has been created, you will receive an email with a housing offer. Once you have confirmed the offer, please follow the procedure indicated in the information note received by email.

Once you have completed all the steps indicated on the memo (setting up your administrative file and paying the deposit online), you will be able to make an appointment online using the My Student Services application.

**Please do not go to the residence reception without this appointment.**

If you have any difficulties, please contact the residences using the details below.
