RÉSIDENCE  
UNIVERSITAIRE  
INTERNATIONALE

## A HALL OF RESIDENCE FOR FOREIGN STUDENTS

Grenoble plays host to more than 60,000 students, with five centres of higher education, 17,000 researchers working in some 100 laboratories and four international research centres. The Galilée international hall of residence, ideally located in the city centre, offers individual lodgings catering for the needs of researchers from abroad.

Standing at a crossroads between various academic centres and places of interest, close to three tram lines serving the railway station and the Science Park, the hall of residence is conveniently near to the university campus at Saint Martin d'Hères.

## A HALL OF RESIDENCE COMBINING COMFORT, INNOVATION AND SECURITY

In an art deco setting and a refined atmosphere, the international hall of residence offers comfortable, well equipped functional flats with secure access:

- 61 fully furnished 17 sq m one-person flats
- 2 fully furnished two-person flats, specially for couples
- 2 fully furnished flats specially designed for disabled people

With its balconies, panoramic view of the mountains and landscaped garden, the Galilée hall of residence has all the advantages of a relaxing, verdant environment.
